I have set up the cards on Avery's website in a convenient to use format.
You will need Avery cardstock #5371 or its equivelent.

To customize your cards with you name, branch and contact information, go to **http://avery.com/myavery**
At the top right of the screen, click on **"Sign In To MyAvery"**
When prompted, enter the following:
Email Address: **triadics@triadics.net**
Check **"I have An MyAvery account."**
Password: **triadics**
Click on **"Sign In"**
Card will appear
Click on "**Your Name**" on card
Edit the three lines to say what you want
Once you are done editing, click on **"Preview and Print"** at the top right of the screen.
Next Screen
Click on **"Print it yourself"**
Next Screen
Click on **"Print Now"**
Select you printer on the next screen
Click on **"Print"**
Once you cards have printed, close out all screens.
If you experience any problems with the program or using it, I can be reached at: triadics@suddenlink.net
